**PATIENT CARE OMBUDSMAN (11 U.S.C. (11 U.S.C. § 333(a)(1))---
RESIGNATION DUE TO CONFLICT OF INTEREST**

I, Beatrice Hensleit, declared that I was the President of Hensleit Healthcare consulting, located in Fresno California. I read and reviewed the Notice of Appointment of Patient Care Ombudsman (11 U.S.C § 333(a)(2)(A) and knew the contents thereof. And based upon review of the debotor's petition and list of creitors, and to the best of my knowledge, information and belief, I had no connecton with the Debtor of this estate, creidtors or any other party interest and after a great deal of additional research, I was able to declare at that time that I would be free from any conflict of interest.

In making preparations to fulfill my duties as Patient Care Ombudsman, I have become aware of business relationships and interests that developed **after** I made

1 the declaration that I had no conflict of interest, that have in fact created a
2 substantial conflict of interest for me. This conflict of interest will result in me
3 regretfully requesting that I immediately be removed from the Patient Care
4 Omnibudsman appointment.
